Reflection of the program.

Day 15: Departure

hand in order to implement this important improvements in the communities.

We will also encourage you to explore new ways to solve the challenges faced by the villagers, teach English to the young villagers, help them with their homework and and even learn some Mandarin or Tibetan.

You will also visit the local nursery, cook your own food in a wood oven, learn ancient Tibetan dances and make a trekking to gaze at the beautiful valleys and mountains surrounding Shangri-La.

As you implement these sustainable solutions, you'll be immersed in the culture and forging lasting connections to the communities you serve.
